FAQ

Q: What is your style of bridal hair and makeup?

A: My bridal style is soft, natural, and timeless. I focus on enhancing your natural features so you still feel like yourself—just beautifully polished and camera-ready.

Q: Should I book a bridal trial?

A: Yes, a bridal trial is highly recommended. It allows us to refine your look, discuss your vision, and ensure you feel completely confident and relaxed on your wedding day.

Q: How long does bridal hair and makeup take on the day?

A: Please see our time suggestions on the previous page.

Q: Do you offer mobile services for weddings?

A: Yes, wedding hair and makeup are done on location. Travel fees may apply depending on the venue and distance.

Q: Do you offer touch-ups on the wedding day?

A: I do touchups on everyone once I am done with the last person and then I leave. Touch-up kits can be purchased to keep you looking fresh throughout the day and evening.

Q: Will you stay to insert my veil?

A: I do not stay to insert the veil. However, I will gladly show a member of your bridal party how to correctly insert and remove your veil to ensure it's done smoothly and confidently on the day.

Q: How does dermaplaning help before my wedding?

A: Dermaplaning smooths the skin and removes peach fuzz, allowing makeup to apply seamlessly and photograph beautifully. It's ideal 1–2 weeks before your wedding. A treatment at least 5 weeks before your wedding is recommended to make sure you don't react.

Q: Why is brow lamination and a lash lift recommended before a wedding?

A: Brow lamination creates fuller, well-shaped brows, while a lash lift enhances your natural lashes. Both offer a low-maintenance, natural look that lasts through your wedding and honeymoon.

Q: Should I get eyelash extensions for my wedding?

A: Eyelash extensions are perfect if you want added definition without worrying about mascara or strip lashes. They're waterproof, tear-proof, and ideal for long wedding days.

Q: Is a spray tan a good idea before my wedding?

A: Yes, a spray tan evens out skin tone and gives a healthy, radiant glow that enhances your makeup and photographs beautifully. A trial tan is recommended to be booked 5 weeks before the wedding to ensure you are happy with the colour and have no reactions. Your final tan is best done 2 days before the wedding.

Q: When should I book my pre-wedding treatments?

A: Dermaplaning 1–2 weeks before, brows and lashes 5–7 days before, eyelash extensions 2–3 days before, and your spray tan 2 days before the wedding.

If your bridal party needs more than one artist, I'll organize the team so everyone looks beautifully cohesive and feels amazing on your special day.

MEET GERLIA

Meet Gerlia, a seasoned professional with over 16 years of experience in the makeup and hair industry. Her journey began in the world of films and commercials, honing her skills before transitioning into the wedding and corporate realms.

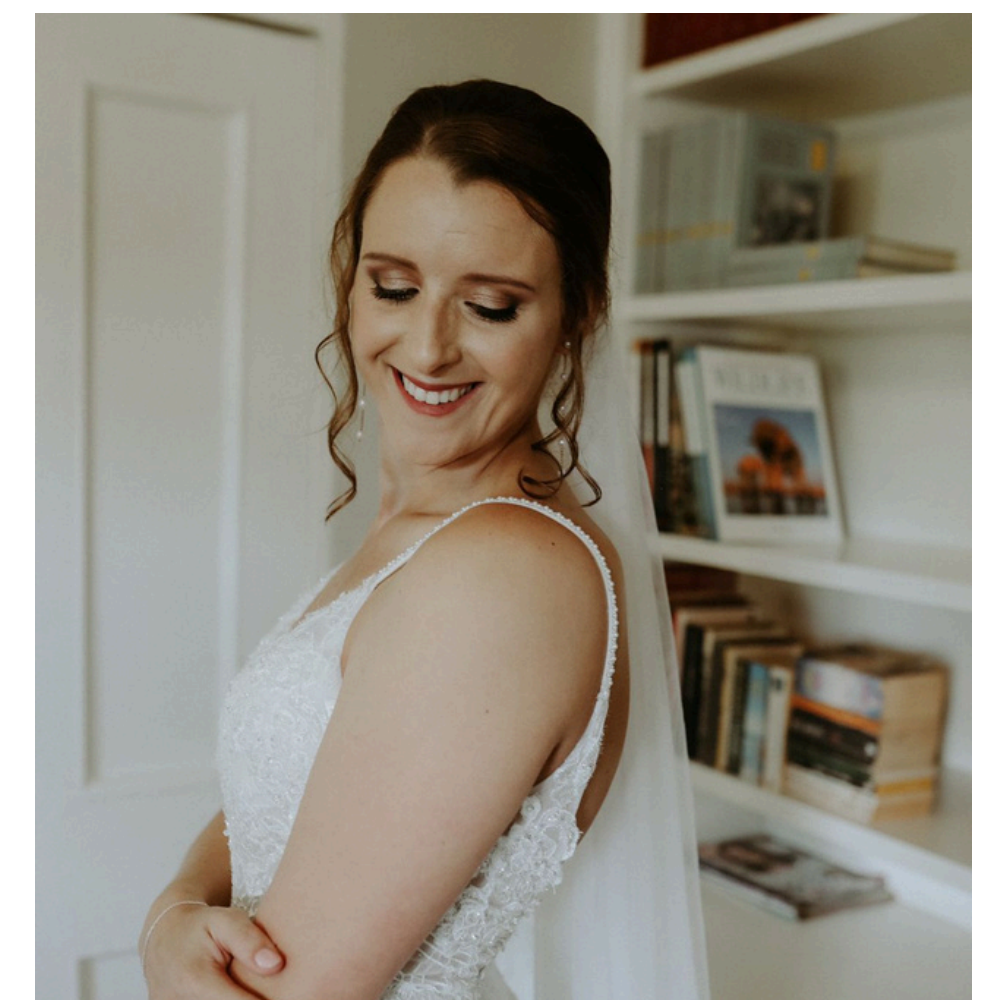

Gerlia's kit boasts a collection of high-end products, and she's particularly fond of using her Kett Airbrush to achieve a flawless finish for brides on their special day. What sets Gerlia apart is her ability to bring a sense of calm to the chaos of a wedding day, coupled with her attentive listening skills to ensure every bride's needs are met with precision and care.

MEET ELZETTE

Meet Elzette: I've been passionate about makeup since childhood, experimenting on myself and friends in high school. After studying makeup, I worked full-time in the TV industry for 22 years on local soap operas like 7de Laan and freelanced on weekends, specializing in bridal and special occasion makeup. Along the way, I also learned hair styling. Now, after 7de Laan ended, I'm embracing new opportunities outside the TV world.

Being married myself, I believe in the significance of weddings and feel honored to be part of such an important day. My style focuses on classic bridal looks with neutral colors, enhancing natural beauty rather than following trends. I prioritize professional trials and open communication to ensure brides feel confident and less stressed on their big day.

PAYMENT

Payment for your wedding is made in two simple steps:

1. Booking Fee

A **30% booking fee** of your total wedding day package is due at contract signing. This fee secures your date and is deducted from your final balance.

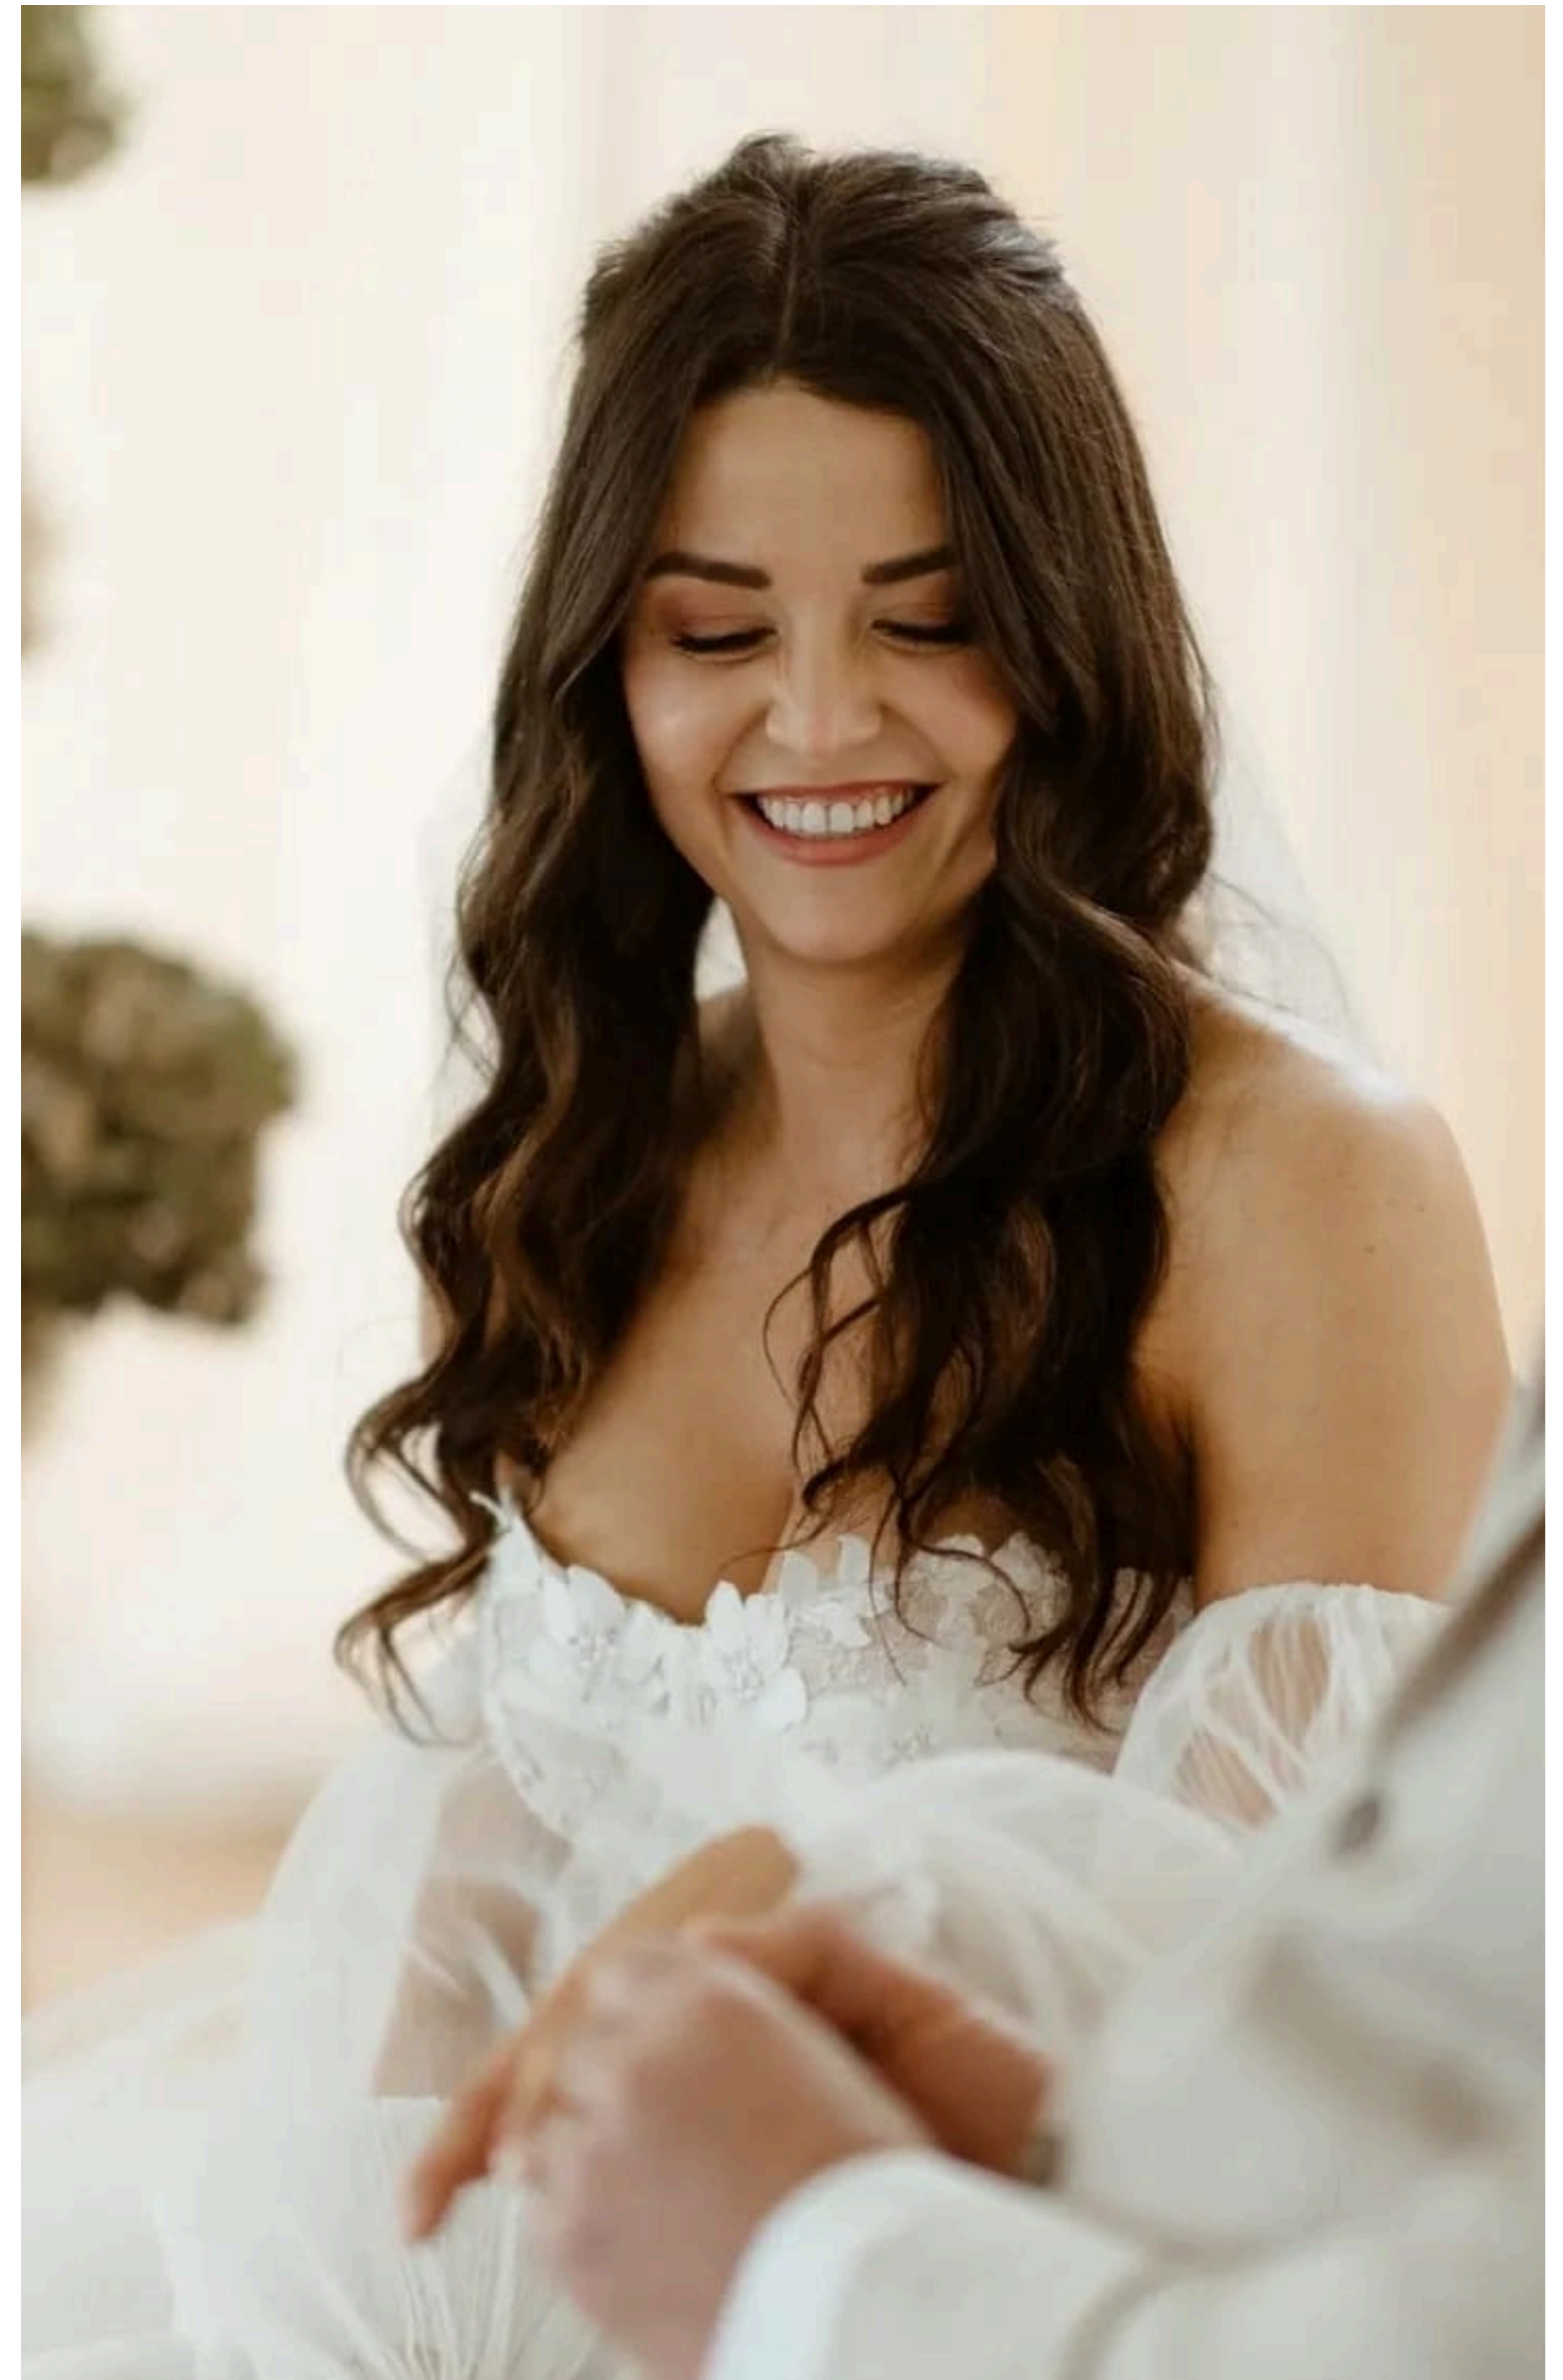

For weddings where 30% of the total is **less than R2900** for hair and makeup, or **R1500** for hair **or** makeup only, a **50% booking fee** will be required to cover the trial session.

2. Balance

The remaining balance, including any add-on services, is due **10 days before your wedding**. This ensures a stress-free, relaxed morning so you can fully enjoy your getting-ready experience.

Payment Options:

All payments can be made via **EFT or cash** for your convenience. If you prefer, payments can also be made via **SnapScan, or Zapper**. For international clients, an online payment link can be provided.

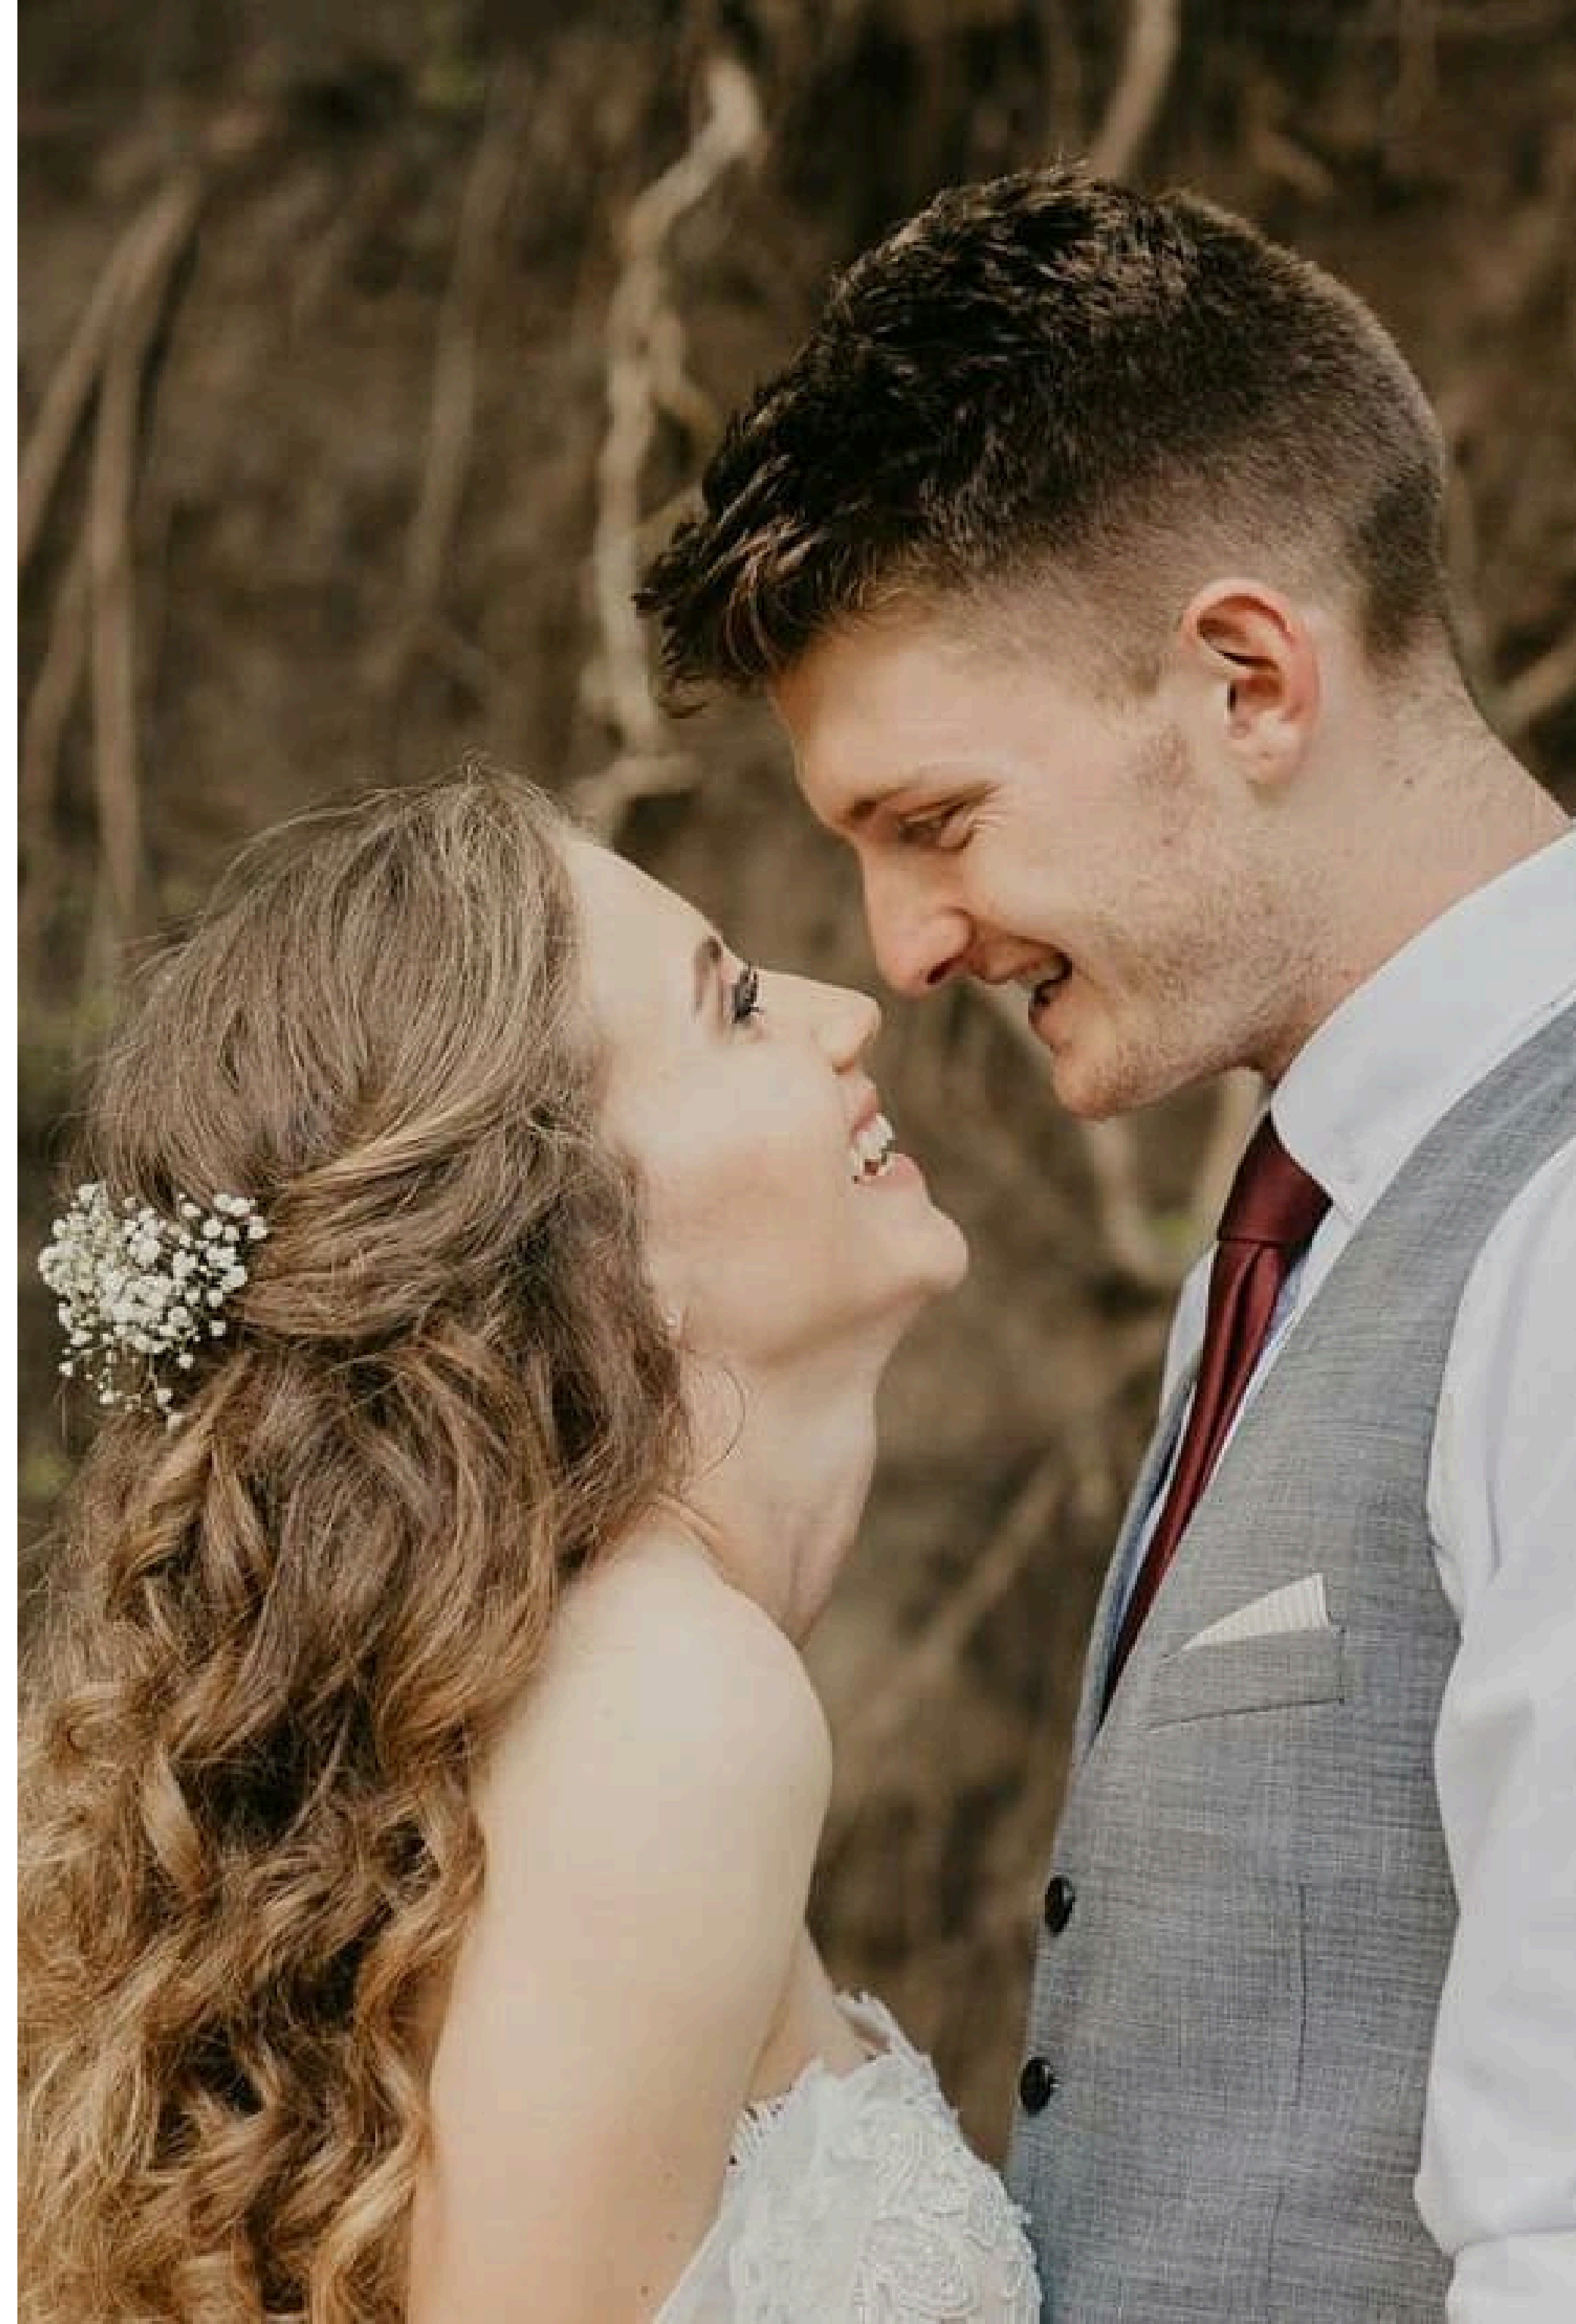

Keep In Mind...

In the whirlwind of wedding planning, timing is everything. Bridal beauty services are in high demand, often booking 6-12 months or more in advance, and spots fill quickly.

When you're ready to check this important task off your list and enjoy the peace of mind that comes with booking your hair and makeup, simply let me know. I'll prepare everything promptly, ensuring your wedding day beauty journey is seamless, stress-free, and perfectly tailored to you.
